Mary Jo communicates with your Angels to receive Divine Guidance for all areas of your life. She channels messages of love, wisdom, & healing from the Angelic Realms as well as from your deceased loved ones.

A successful spiritual teacher & healer, M.J. believes that we all have the innate ability to communicate with the angels and she helps to open that door for others by assisting them in developing their own Divine Intuition and psychic ability.

Although intuitive all of her life, it was with the introduction of the Angels' guidance that her readings became more insightful, helpful & profound. Her time with the shamans in the Amazon & Andes in 2000 as well as her study of multiple healing modalities including Reiki, Healing Touch, Matrix Energetics, EFT (& others) have given Mary Jo a powerful "tool belt" for use in Angel healings.

Although M.J. resides in the Tampa Bay area, her Readings and Healings can be received anywhere worldwide (Remote OR In-Person Appointments).
